

## This week at FPC June 12, 2024—June 18, 2024

### Sanctuary Improvement Update

Last Sunday, Van Akin, who chairs our Building and Grounds committee gave a short update on the improvements coming for our sanctuary. I thought I would echo his brief remarks here. We are on track to put in new carpet, pew cushions, touch up paint, improve the sound system, and install a new air conditioner! Many of you have given generously to our sanctuary improvement fund. Thank you!

Some of you are thinking about a gift. I hope you will make a gift if you can. We understand many members give all they can in their weekly offering. Thank you! But if you can make an extra gift this year please pray about it. A few weeks ago we sent letters and pledge cards. If you lost your card ask an usher on Sunday or just write a note to the church

saying how much you plan to give to the sanctuary improvement fund. Or write a check and note it is for the sanctuary.

Work will probably start on Monday July 1, but we are waiting to hear details from the contractor. We will worship in the fellowship hall for about eight weeks. I have heard that some members need chairs with arms so they can easily get up. We are moving such chairs over there, we want everyone to be safe and comfortable.

Our sanctuary will be even more beautiful when the work is done and we are back worshipping in this special space.

### Play-Pen or Pack-and-Play Needed

Our children's nursery needs a play-pen or pack-and-play. We are getting some infants and young children in worship these days, we need a safe place for them to be in our church nursery. If you have a gently-used item, please bring it by the church office.
