

## This week at FPC

### June 26, 2024—July 2, 2024

### Our Preachers of Excellence Series Continues

This Sunday, June 30, 2024, our preacher will be The Rev. Dr. W. Maynard Pittendreigh. He is an ordained pastor in the Presbyterian Church, USA, a life-long astronomer, a husband, father, and grandfather.

As a pastor, Maynard has served churches in his home state of South Carolina, as well as in Georgia and Florida. Maynard earned his Bachelor of Arts from Erskine College in SC, his Master of Divinity from Erskine Theological Seminary, a Master of Church Business Administration from Union Theological Seminary, and a Doctor of Ministry from Columbia Theological Seminary. He has written a number of articles in ministerial publications, including being the Humor Columnist for several years with the Clergy Journal. He recently completed a revision of his 2003 book, *The Presbyterian Church Welcomes You*.

As an astronomer, Maynard has been recognized as a Master Observer by the Astronomical League. Achieving this is a recognition that one's activities in astronomy reflect "interests that are broad and skills that are deep" by the nation's largest organization for amateur astronomers.

Maynard has been married to his wife, Ginny, since 1975. Ginny is a musician and has a BA in Christian Education and a Masters in Early Childhood Education. She recently retired from working in the public school system. They have one son, John, who is a Master Sergeant in the Air Force Reserves and who now works in the civilian sector.

Maynard was our preacher one Sunday last September, we welcome him back.
